

TelBru inks deal with Alif Technologies

By Amin Hosni

ALIF Technologies Sdn Bhd, an incubatee of iCentre, was awarded the '2nd Tier Database Support Project' by Telekom Brunei Berhad Information Technology Department yesterday in a signing ceremony at iCentre in Anggerok Desa.

Signing on behalf of TelBru was its Managing Director, Song Kin Koi. Representing Alif Technologies Sdn Bhd was its Chief Executive Officer, Pengiran Mohammad Pengiran Haji Kamaluddin.

Hajah Ainee Hayat Haji Bungau and S Kumaraguru, the General Managers of TelBru and Alif Technologies Sdn Bhd respectively, witnessed the event.

Alif Technologies Sdn Bhd will be providing second tier support to TelBru IT department and will streamline its database operation and management.

This project has been achieved through the CIO Exchange organised by iCentre in February 2008. The CIO Exchange Series are sessions providing business development and marketing opportunities to incubating companies at iCentre.

The CIO Exchange gives a platform where incubating companies can pitch their innovative products and services to the CIO office of government and the private sector organisations. CIO officers share their ICT plans and project needs.

Mr Song Kin Koi said, "This is one way for TelBru to play a part to support the development of ICT industry in the country through iCentre, which has proven to be the focal point of ICT companies in Brunei, not only for large corporations, but significantly for thriving SMEs.

"Since the inception of iCentre, TelBru has continuously supported the initiatives of its incubates and this signing with Alif Technologies Sdn Bhd has further strengthened the collaboration between the parties involved."

Alif Technologies Sdn Bhd has over 15 years of IT experience in Brunei. It is a multi-million dollar, well-established, stable and reliable company. It is a 100% Bruneian Malay owned company with a global outlook. Eighty per cent of the staff are locals. Some of its potential customers are Brunei Fire and Rescue Department, Ministry of Education and Ministry of Religious Affairs.
